Table of Contents

I	Forewords.....	4
II	Organisation of the IERS in 2000.....	7
III	Reports of Coordination Centres	
III.1	VLBI Coordination Centre.....	10
III.2	GPS Coordination Centre.....	13
III.3	SLR and LLR Coordination Centre.....	16
III.4	DORIS Coordination Centre.....	19
IV	Reports of Bureaus, Centres and Representatives	
IV.1	Central Bureau.....	24
IV.2	Celestial System Section of the Central Bureau.....	26
IV.3	ITRF Section of the Central Bureau.....	53
IV.4	EOP Section of the Central Bureau.....	55
IV.5	Sub-Bureau for Rapid Service and Predictions.....	103
IV.6	Conventions.....	110
IV.7	Global Geophysical Fluids Centre.....	112
V	Re-organisation of IERS	
V.1	Call for Participation in the New IERS (1999).....	118
V.2	IERS Terms of Reference.....	130
V.3	Members of the IERS Directing Board in 2001.....	135
V.4	Organisation of the IERS in 2001.....	139
Appendices		
1	IERS Corresponding Members in 2000.....	145
2	Electronic Access to IERS Products, Publications and Centres.....	146
3	IERS Technical Notes and Annual Reports.....	149
4	Acronyms.....	150
